MAKE IT YOUR OWN

- Accessorize: Add your own flare by accessorizing with a fun pair of socks or a scrunchie. Check out the ones in the Taco Shop or wear your own.
- Show us your style: Add your own uniform flare by cuffing your pants or elevating your uniform with outerwear. We want your uniform to feel like **YOU**.

- If you are pregnant, feel free to wear stretch materials and longer shirts. Just make sure the colors and patterns are consistent with our guidelines.
- Exceptions to the Dress Code may be made to accommodate sincerely held religious beliefs or a disability. Talk with your manager or Above Restaurant Leader for more information about exceptions.
